

A close-up, profile shot of a woman's face. She is looking downwards with a contemplative expression. The lighting is low-key and dramatic, casting deep shadows on one side of her face while illuminating the other, particularly her forehead and the bridge of her nose. Her hair is dark and appears to be pulled back. The background is dark and out of focus.

A woman with blonde hair tied back in a bun is shown from the side and slightly from behind. She is wearing a light-colored, possibly grey or beige, double-breasted coat with a belt. A small gold-toned brooch is visible on her left lapel. She is holding a bouquet of flowers, which includes red roses and green foliage, in her left hand. The background is dark and out of focus, showing some foliage and a hint of a building's facade.
